

RODIZIO

Our trained Passadors (meat carvers) will pass from table to table slicing an array of fresh meats directly from the skewers onto your plate.

Our extensive selection of meats include several beef cuts, legs of lamb, sausages, chicken as well as grilled pineapple, marshmallows & authentic specialities such as chicken hearts. Everything at El-Vaquero is expertly grilled to keep the succulent & and flavoursome taste.

There is a vast selection of fresh salads and hot dishes, prepared daily, available at our 'help yourself' buffet counters.

Do not hesitate to ask if you have an individual preference of how you would like your meat cooked. Ask one of our passadors, who will always be happy to serve you.

Our freshly grilled meats will continued to be served unless told otherwise and you can eat no more!
